molding collection shown in cristal ombre

The Fremont collection offers options for every room with a wide range of handglazed field sizes and select molding options (limited due to the nature of cristal glazes). Field sizes are sold by the square foot and moldings are sold by the piece. All sizes listed are nominal and not intended to be modular. To see more field options please view our website www.statusceramics.com

The revival of classic colors in translucent cristal glazes mingled with contemporary lines enables the Fremont Collection to fit seamlessly into any design. The perfect dose of detail found in each piece allows the collection to stand well on its own, or as a subtle complement to an existing style.

[Like its namesake, the Fremont Collection is classically hip, ever-evolving with its surroundings.]
